1. Check the number to make sure you have the right phone number.
2. Try calling again.
3. If you still cannot complete the call, contact your supervisor.

 If the system says: "Sorry, Invalid Number"

Check if the phone has a T-P (Tone-to-pulse) switch; make sure the switch is on T. If there is no switch, you must say your ID number one digit at a time, into the phone after the tone.
