The screenshot shows a mobile application interface titled "Visit in Progress". At the top, there is a header bar with a menu icon, the title "Visit in Progress", and a trash icon. Below the header, the patient's name "Amber Haggerty" is displayed. Underneath, the service is listed as "Home Health Nursing - RN" with a "Switch Service" link. The clock-in time is "11:15 AM". There are three tabs: "TASKS", "OBSERVATIONS" (which is highlighted with a red box), and "NOTES". Under the "OBSERVATIONS" tab, there are two questions with radio button options: "Did you observe any change in the client's physical condition?" with "Yes" and "No" options, and "Is the client in pain?" with "Yes" and "No" options. At the bottom, there is a blue button labeled "Complete Visit".

2. Nootuki emdeeji larrtaama.

3. Tappu **Timmin Garangal**.

This screenshot is similar to the previous one, showing the "Visit in Progress" screen. However, the "OBSERVATIONS" tab is not highlighted. Instead, the "Complete Visit" button at the bottom is highlighted with a red box. The questions and options remain the same as in the previous screenshot.
