Re: Audit Bridge / GAP Period Attestation Letter

To Whom It May Concern:

This correspondence is an assurance statement that no significant and/or material changes in application operations and/or controls have occurred at Sandata Technologies, LLC located at 270 Duffy Avenue, Unit 266A, Hicksville, NY 11801 since the SOC 1 Type II audit was performed for period April 1, 2023 to March 31, 2024 by Aprio.

We are not aware of the existence of material and/or significant changes in application operations and controls at the aforesaid location since its aforementioned independent SOC 2 Type II audit. We believe that the description of the controls continues to present fairly, in all material respects, the controls that were in operation at the time of the review.

Sincerely,
